## DISCHARGE YOUR DOCTOR!

HOW TO LIVE. WHAT TO EAT.

THE WAY TO COOK IT.

This wonderful compendium of practical information, pertaining to every branch of Social and Domestic Economy, embraces all that every mother and housekeeper need know. It gives general rules to be followed in the proper selection of food, the best manner of preparing same, what should and should not be used under certain conditions, and all based on the excellent medical instructions also given. No family should be without it.

This book is so arranged, written, and illustrated that it saves many times its cost to the purchaser every year. The best treatment in the world, within the reach of all. The purchaser of Dr. Carlin's Physician invests his money at 100 per cent. interest. Index of Symptoms, Index of Diseases, List of Medicines, their properties, how to prepare them, and how to administer them.

If your child is sick, consult it. If you are worn out, it suggests a remedy. If you want to start a garden, it tells you how.

If your husband is out of sorts, it will tell what he needs. If you need help in your cooking, nothing is better.

If ANYTHING goes wrong in your household affairs, and explains so you can make no mistake.

The work is voluminous in all its details, and written in such a way as to be readily understood by all. Any case of ordinary sickness is fully treated, and such remedies suggested as are easily obtainable and at small cost.
